Monologue other than Shakespeare

Perform a Monologue, of your own choosing, from memory. There are three types of dramatic Monologues: Monologues that address an audience directly, Soliloquies spoken as if the character is alone (revealing inner thoughts), and Speeches directed to another character. If you perform a Speech, you may have another person on stage with you. However, your performance will be the only one adjudicated. Selections can be found in plays and Monologue anthologies. Participants should refer to their local library for selections
